

**Celebrate the library building's 50th birthday
and clear your account**

FOOD FOR FINES

During this one time event, in February 2019, return an overdue item with a nonperishable food item and have the fines forgiven for that item OR bring in nonperishable item(s) to have existing fines waived.

- Each can/box of food counts for \$2 in waiving fines or for one overdue item. Each one (1) pound of pet food counts for \$2 in waiving fines or for one overdue item. The library will not apply additional credit to a patron's account.
- Donated items must be unopened and unexpired. Both Food for Fines and Fine Forgiveness can only be used toward late charges and not other fees.
- Nonperishable food items will support the Interfaith Helping Hands Food Bank, while dry pet food will be donated to the Deer Park Animal Shelter.
